Church Mission

St. Roch Parish (St. Roch Church and St. Joachim Mission Church) will engage in a life-long journey in prayer and a relationship with the Lord by living our Catholic faith and transforming ourselves and others spiritually for generations to come. We will create an open, hospitable and welcoming community that embraces diversity and celebrates the giftedness of each person.

Church Vision

To be joyful disciples equipped to witness Jesus by living and sharing our faith with all.

My Holy People

Today is the twelfth Sunday of the church’s ordinary time. In it, the holy mother church reminds and encourages us her children that Christ is with us even amid all the storms of this life. Therefore, this is a worthy cause for celebration and thanksgiving because we are so glad that Jesus cares for us.

God is the world’s creator. Hence, he has the power to control and regulate all the natural, physical, and spiritual forces or activities going on in this world. God has the whole world in his hands. So, he directs the course of our lives and the history of this world.

Life is full of storms. At times, they can become so strong and strange that our human strength can no longer support us. At such moments fear and complaints, he might take over the central stage of our life. Even in some cases, we might lose our faith in God, thinking that he has abandoned us, or that he does not exist. These storms come in different forms. We need only entrust to God and just build our faith and trust in Him, who will calm everything as we reflect in the gospel.

There are two fundamental truths that the gospel reveals to us about these problems. The first is that Christ is with us in that boat of life and is aware of the storm in our path. The second is that we cannot overcome our storms alone, no matter how experienced we think we are navigating your boat. Hence, Christ tells us: “Apart from me, you can do nothing.” There is no doubt that his disciples made much effort to control their boat before inviting Christ. However, when they failed, they cried out: “Lord, do you not care if we perish?” Of course, Christ intervened because he assured us: “Call upon me in times of trouble, and I will help you” (Ps 50: 15).

Let us always cry and call to the Lord and He will calm all our troubles. Just be calm, pray and trust in Heavenly Father. God bless you all. Have a wonderful week and wish all married men; Happy Father’s Day.

Effective Immediate: There will be a change to the Friday's Mass Schedule at St Joachim. The 6:00pm Mass has being changed to 7:30am on Fridays.

In today's Gospel we listen to Jesus' disciples crying out in fear of a great storm. Their cry echoes the cries of people around the world during the pandemic. It is the ultimate cry of fear, doubt and abandonment. It is a parable of the situation of all of us when cast adrift in the storms of our lives, seemingly without God's presence and care. But God is with us. Jesus does calm the storm for his disciples, Good stewards have faith that they do live in a world where they should live in fear and chaos, seeing themselves alone and abandoned by God. Reflect this week on your own faith in the promises of Jesus. Do you believe Jesus is in our midst and can calm the storms in our lives?
